Annexure - 2.docx (13kB)

Dear All,

This is with reference to the DigiLocker initiative taken up by Department of Electronics & Information Technology (DeitY), Government of India, as a part of the Digital India programme.

2. NeGD has been assigned with the responsibility for development of DigiLocker on behalf of DeitY. DigiLocker is a secure cloud based repository where Government issued documents can be stored/shared directly to/from citizen's account or any legacy document can also be uploaded by citizen to his/her account. Kindly refer to '**Annexure-1**' for detailed description about DigiLocker facility.

3. DigiLocker system may be integrated with online systems in the Central/ State Departments or Ministries providing citizen services. A detailed list of types of integration is provided in '**Annexure-2**'.

4. NeGD DigiLocker team will conduct a demonstration cum discussion with the nodal/technical officers of all your department applications to integrate DigiLocker application. **Shri Nimit Mehrotra, Sr. Business Analyst, NeGD (Email: nimit.mehrotra@negp.gov.in; Mob: 9717022677) will contact you for the same.**

Regards,

--

Dr. Ajay Kumar, IAS
Additional Secretary
Department of Electronics and Information Technology
and
Director General, National Informatics Centre
